The Swallow Hill Music Association with the support of the **Rocky Mountain Audio Fest** is offering scholarships to children 7-12 years of age for **group guitar classes** based on financial need. The scholarship covers 90% of the cost for an 8-week class with a rented guitar (if needed).

Applicants must provide their most recent **1040 tax return** as a valid proof of family income, which must include income of parents, guardians or any other adults in the applicant's residence. The Scholarships will be awarded based on the number of dependents and annual household income. The remaining balance of **10%** (\$10 or \$15 with guitar rental) must be paid at time of registration. The scholarships must be used for the specific class session they are awarded for. If applicants cannot use the scholarship for that session, then you must re-apply for the following session.

Guitars must be brought to each class and can be rented from the Denver Folklore Center in the parent or guardian's name if needed. Rentals last for 2 months (one 8 weeks session). The parent or guardian is responsible for any damages or occurrences to the guitar and for honoring the rental contract.

Scholarships may not be used for concert tickets or to purchase merchandise, and may not be transferred from one student to another. Only one scholarship per person per session is allowed.

In the space below, please include a personal statement explaining why we should consider your request for scholarship. Failure to complete this section will disqualify your application. Please attach additional pages if necessary.
