**ARTIST BOOKING INFORMATION**

Thanks for your interest in performing at the Swallow Hill Music.

Swallow Hill primarily seeks artists who perform acoustically and within the broad spectrum of genres often referred to as "Folk" or "Roots" music. Our rooms are tuned for acoustic music and are considered to be among the best in Colorado.

**Concert booking for Swallow Hill:**

Year-round concerts are booked a minimum of 4-8 months in advance.

If you are an artist interested in submitting materials for consideration, please EMAIL your home page URL and available dates to [david@swallowhillmusic.org](mailto:david@swallowhillmusic.org)

In the subject line, please specify: BOOKING SUBMISSION: (Band Name).

**PLEASE NOTE:**

E-mail is checked daily, and we will contact you within a month or so IF we have an opening that makes sense. If you wish to follow-up, e-mail is preferred (no phone calls please).

**Opener/Support Opportunities**

Please contact Swallow Hill Music directly for opener slots, rather than contacting the headliner act. Openers are subject to approval by the headliner.

**Swallow Hill Cafe'** concerts occur on Thursday nights (excluding June-August). Local artists who are cultivating their fan base for one of our bigger halls, as well as touring artists, who have done very well in their home towns but are looking to expand their Denver audience, are the types of artists that the Cafe is looking for. The Cafe can seat up to 65 people and the booked artist gets a percent of door sales. If you are an artist interested in submitting materials for consideration, please EMAIL your home page URL and available dates to [gbinder@swallowhillmusic.org](mailto:gbinder@swallowhillmusic.org)
